

PUBLIC NOTICE

Preliminary registered voters for phase two

The Malawi Electoral Commission is informing the public it has registered **875,138** people in phase two of the voter registration exercise. This total represents **83** percent of the projected number for the phase which was **1,048,080** registrants.

The total number of registered voters is also **97** percent of the registration figure for 2014 Tripartite Elections which was **904,567** voters.

Phase two of voter registration covered Dowa, Nkhosha, Mchinji and Ntchisi districts. The summary for the phase according to councils is as follows:

Phase Two Voter Registration figures summary							
District	2014 registration figures	2018 projected figures	2018 registered voters			% voter registration to 2014	% voter registration to 2018 projection
			Female	Male	Total		

							s
Dowa	334,014	395,141	172,546	152,009	325,062	97	82
Nkhota kota	177,988	201,889	94,652	83,954	178,606	100	88
Mchinji	261,029	300,705	126,712	114,778	241,490	93	80
Ntchisi	131,536	150,346	69,015	60,965	129,980	99	86
PHASE 2 TOTALS	904,567	1,048,080	462,925	411,706	875,138	97	83

Of all the registered voters for phase 2, a total of **462,925** are women while **411,706** are men. Detailed registration figures for each centre, ward and constituency have been uploaded on MEC website www.mec.org.mw.

The Commission is urging stakeholders to exercise caution with the statistics because they are based on preliminary information captured during field operations and might change during computerization exercises.

Signed this 30th day of July, 2018

Sam Alfandika

Chief Elections Officer
